We've hinted at it here and there over the past year, but it's finally evolving into reality! Fons & Porter will publish our first Sew4Home book this Fall and we have a sneak peek at the cover.

Slated to debut on October 10th, *Sew4Home Bags and Totes: 10 Easy, Fashionable Projects Anyone Can Sew* brings the S4H project experience to the printed page.

We're famous for our creative carryalls, and that is the whole focus of the publication. As the title explains, there are ten great styles. From book bags and satchels to clutches and slings, there's a little something for everyone.

Be watching your favorite online and in-store book retailers this Fall, and we'll continue to keep you updated on the latest news. You can even pre-order a copy now [at Amazon](#).
